Rob –attached is a draft of a memorandum which includes my comments on the site investigations and remedial alternatives analysis for the three Pavillion pit sites (14-11, 24-3 and 42-11) which are in the WDEQ VRP. I can be available to discuss on Thursday afternoon.

Hey Mike,

Just checking in to see if you've been able to review the Pavillion documents that I left with you last week. If so, do you have time to get together either this afternoon after 3, or tomorrow morning?

Thanks,

Rob
